OPERATIONS

- TEMSCO was founded in 1958 in Ketchikan, Alaska
- Founder of TEMSCO and Alaska aviation pioneer, Ken Eichner proved that helicopters were an invaluable tool for the rugged and remote terrain of Alaska.
- He became the president of the company in 1965.
- Eichner built the company into one of the most successful helicopter companies in Alaska.
- TEMSCO Helicopters was acquired by Survey Point Holdings in 1989.

TEMSCO's Fleet
